

UNITED NATIONS DAY OBSERVANCES

Climaxing the county-wide observance of United Nations Week, a public rally will be held Sunday afternoon at 3 o'clock in Christ Chapel on the college campus.

Special music, reading of President Eisenhower's U.N. Day proclamation and address by Dr. Elmer Louis Keyser, dean of students at George Washington University, Washington, D. C., will highlight the program.

Judge W. C. Sheely will preside over the program which will open with the singing of the "Star Spangled Banner" led by the Gettysburg High School band. The salute to the flag will be led by Eagle Scout William Swisher Jr.

The Rev. Martin H. Knutsen, rector of the Prince of Peace Episcopal Church, will give the invocation and there will be special musical selections by the high school chorus and band.

TO BE DECORATED SATURDAY

The windows are to be decorated by Saturday and will remain decorated until 10 p.m. Wednesday night, when the committee in charge will visit the stores to collect the ballots.

After the votes are counted, the winners will be announced through The Gettysburg Times.

Stores which are planning to enter the contest include: Gettysburg News and Sporting Goods, Bix-Sway Cleaners and Launderers, Dave's Photo Shop, Rea and Derick, Faber's, Bickle Insurance Agency, with the window there to be decorated by the Beta Sigma Phi sorority; Mary Ramer Insurance, with the window there to be placed by the Girl Scouts; Weishaar Brothers, with the Boy Scouts decorating that window; the Gift and Goodie Shop and Lane Studio.

PAIR HELD FOR COURT AFTER HEARING TODAY

Dale R. Reichert, 23, Abbottstown R. 1, and Robert L. March, 18, East Berlin, were held for court under \$1,500 bail each following a hearing this morning before Justice of the Peace Robert P. Snyder on charges of assault and battery, conspiracy and a morals charge.

The two were held for court after the 15-year-old daughter of York Police Captain William J. Farrell told of fleeing with her sister-in-law into corn fields and pastures to avoid the two young men who were following them in a car; told of the two searching for the young women with a searchlight and described falling into briars and mud and over logs in her wild flight to avoid the two men.

The young woman, Miss Genevieve Farrell, told of the two East Berlin area men traveling along the New Oxford-East Berlin road "the fastest I ever saw a car travel there," and said the car swerved toward the 15 and 18-year-old girls and forced them to leap from the road into a corn field.

As the speeding car passed over the spot from which the two girls had leaped, the occupants "gave a crazy laugh," Miss Farrell testified.

Attorney J. Francis Yake Jr., who with Attorney Eugene Hartman represented the youths, in moving at the end of the hearing that the charges against the young men be dismissed, said the "crazy laugh" indicated that the attempt to run down the girls was "just horseplay."

Attorney Donald M. Swope, who with Attorney John MacPhail represented the Farrells, responded that "if it was horseplay it was the most outrageous horseplay of which I've ever heard."

Attorneys Yake and Hartman did not permit the defendants to testify. At the end of the testimony by Miss Farrell, who was the prosecution's only witness, they moved that the three counts be dismissed. Justice Snyder overruled the motion.

ISSUE LICENSES

Marriage licenses have been issued by the clerk of the court to the following couples:

Raymond N. Long, son of Mr. and Mrs. Roy S. Long, Stevens, Pa., and Catherine Howard Krueger, daughter of George F. Schleider, Millersburg, Pa., and the late Mrs. Schleider.

Myles E. Starnier, son of Mr. and Mrs. Clayton S. Starnier, Aspers, and Dorothy Mae Fuss, daughter of Mr. and Mrs. Clarence M. Fuss, New Oxford.

GHS HOLDS RALLY

Headed by the Gettysburg High School Band, school students paraded to Lincoln Square for a pep rally Thursday evening in preparation for tonight's game here with Chambersburg. The group returned to the school grounds where a bonfire was held and coaches and players spoke briefly.

Chest Drive Receives \$5,900

The 1954 Community Chest drive in Gettysburg has passed the one-third mark on the third day of its twelve-day drive. Attorney John A. MacPhail, chairman, said today that \$5,900 of the \$17,000 goal has been either collected or pledged.

MacPhail has a force of nearly 100 volunteer workers soliciting funds from door-to-door in the Gettysburg area as well as a number of special committees who are contacting business and social organizations. The money collected will be divided among six local community organizations.

10 MERCHANTS ENTER WINDOW CONTEST LIST

Ten local merchants so far have signed to take part in a window display contest being held as part of the Halloween events locally. Paul E. Anzenberger, chairman of the committee in charge, announced today.

Additional merchants who wish to enter the competition are asked to notify Mr. Anzenberger at the Blue Parrot Tea Room by Saturday. Prizes totalling \$50, or \$25 first, \$15 second and \$10 third place, will be awarded for the window displays.

Selection of the winning windows will be made by the public. A ballot box and ballots will be placed in each of the stores participating. The public is invited to view all of the windows, then enter one of the participating stores and cast a ballot.

TO BE DECORATED SATURDAY

The windows are to be decorated by Saturday and will remain decorated until 10 p.m. Wednesday night, when the committee in charge will visit the stores to collect the ballots.

After the votes are counted, the winners will be announced through The Gettysburg Times.

Stores which are planning to enter the contest include: Gettysburg News and Sporting Goods, Bix-Sway Cleaners and Launderers, Dave's Photo Shop, Rea and Derick, Faber's, Bickle Insurance Agency, with the window there to be decorated by the Beta Sigma Phi sorority; Mary Ramer Insurance, with the window there to be placed by the Girl Scouts; Weishaar Brothers, with the Boy Scouts decorating that window; the Gift and Goodie Shop and Lane Studio.

HONOR AUTHORS ON SATURDAY

Mr. and Mrs. Dean Asquith of Biglerville, whose first book, "Santa Reconsiders," was published on Monday, will be at Thomas Brothers' store to greet their friends from 1 to 4 and 7 to 10 p.m. at an authors' tea.

Surrounded by exhibits of artists' sketches and original manuscripts of this and earlier literary successes, the couple will autograph copies of their new book just released by Pageant Press in New York.

Natives of the New England states, the couple came to Biglerville with their two children in July, 1948, when Mr. Asquith joined the staff at the Arendtsville fruit laboratory.

Mrs. Asquith, daughter of an Amherst University professor, and a writer since she was 10, won a state essay contest as a high school student and continued her interest in writing through student days at the University of New Hampshire and later her married life. Mr. Asquith earned bachelor's and master's degrees at the University of Massachusetts.

Dean describes the new book as "a direct slap at communism" and Doris explains it was written "in defense of Santa Claus with the feeling that the story of Santa needed to be tied up with the deeper meaning of Christmas."

Engagement

Bigham—Pennington

Under the heading "Congratulations" appears a one paragraph announcement on Page one of Thursday's edition of The Gettysburgian, weekly publication at Gettysburg College, announcing the engagement of Mrs. Elizabeth Pennington, dining hall manager at the college, to Attorney Franklin R. Bigham, senior partner in the law firm of Keith, Bigham and Markley.

The Gettysburgian announced: "The students, faculty, and especially the members of the kitchen staff in Huber Hall wish to extend their congratulations to Mrs. Elizabeth Pennington who recently announced her engagement to Attorney Franklin Bigham."

Prior to joining the college staff two years ago Mrs. Pennington was executive secretary of the Adams County Chapter of The American Red Cross for six years.

Sleeping Driver Injured In Crash

A car driven by Stephen L. Sanders, Hanover R. 4, left the Hanover-Gettysburg highway, one mile east of Bonneauville, knocked over two telephone poles, and came to rest in a field, 110 yards from the road, Thursday afternoon at about 4:10 o'clock, according to a state police report.

Sanders was taken to the Warner Hospital with a fracture of the left cheekbone and jawbone. He told police that he must have fallen asleep at the wheel. Damage to the car was estimated at \$800.

Church, S.S. To Have Halloween Party

The Mt. Joy Church and Sunday School will hold their annual Halloween party and social in the Mt. Joy parish house Tuesday evening at 8 o'clock. Those planning to attend the affair are asked to wear costumes.

Prizes will be awarded for the prettiest, ugliest, the most original and the most comical costumes. Games will be played and refreshments served.

APPEALS JUDGMENT

An appeal has been filed with the county prothonotary's office on a judgment by Justice of the Peace Claude S. Straley, of New Oxford. The decision granted Thomas Henry, New Oxford, damages of \$75.28 from William W. Menche, Abbottstown R. 1, as a result of an automobile accident of Oct. 24, 1953. The report of the case stated that Menche was not present at the hearing.

President Eisenhower Will Be At Pennsylvania Memorial At 12:30 P.M. Saturday Noon

President Eisenhower, who will entertain Republican candidates for state office, Congressional candidates, Senators Martin and Duff, Governor Fine, other state leaders and reporters and photographers at his farm Saturday, will make a brief stop at the Pennsylvania Monument on the Battlefield at 12:30 o'clock Saturday afternoon. The Times was officially informed of this decision this morning.

The President is expected to make a brief statement at the memorial, largest on the Battlefield. From there the Presidential party will motor to his farm where luncheon will be served in a large tent in the field in front of his newly enlarged and remodeled farm house. There will be 150 guests.

The famous Eisenhower stew, made from Ike's own recipe, will be served.

Mamie Eisenhower and a party of friends came to Gettysburg Thursday and spent several hours at the farm house. She is expected to be the official hostess at Saturday's luncheon.

EXPECT CROWD AT "ORATORIO" SUNDAY NIGHT

A large crowd is expected to attend the oratorio, "Job, Man of God," to be presented in Christ Chapel, Gettysburg College, Sunday evening at 7:30 o'clock by a chorus of 70 voices, made up of the combined choirs of Trinity Lutheran Church, Philadelphia, and the Emmanuel Church, Souderton, Pa. All soloists are members of Philadelphia opera companies.

The organist-composer, Catherine Deisher Baxter, will be at the console, and she will be assisted in accompanying the group by a harp, trumpet and tympani. Catherine Deisher Baxter, the composer of the work to be presented, was graduated from Westminster Choir College in 1942, where she majored in composition under Dr. Henri Switten. Since that time she has studied organ with Dr. Alexander McCurdy of Curtis Institute, Philadelphia, and with Ernest White, organist of St. Mary's Episcopal Church in New York City.

Besides Sunday's work, she has written an extensive composition on Francis Thompson's poem, "Hound of Heaven." She is a member of the American Guild of Organists, and is on the executive committee of the American Humm Society.

The public is invited to the presentation, "Job, Man of God." There will be no admission fee but an offering will be taken.

Weather Forecast

Extended forecast for Saturday, Oct. 23, through Wednesday, Oct. 27:

Eastern Pennsylvania, eastern New York and Mid-Atlantic states: Temperature will average 4-5 degrees above normal, with gradual warming trend, little or no rain indicated.

Western Pennsylvania, western New York, Ohio and West Virginia: Temperature will average 6-7 degrees above normal with gradual warming trend, little or no rain indicated.

House Mother Will Address Auxiliary

Mrs. Jean Charles, house mother at the TKE Fraternity, Carlisle St., will speak to the Annie M. Warner Hospital Auxiliary on "Let's Decorate With Color," at a meeting Monday afternoon at 2:30 o'clock in the board room of the hospital.

Mrs. Charles, a former resident of Pittsburgh, is an interior decorator, having spent many years in this work in the Pittsburgh area. She was employed as an interior decorator for various firms in that city before coming to Gettysburg.

Mrs. Raymond Hale will serve as chairman of the hostesses who will be from the Arendtsville area.

PLEADED AT TEMPLE

Peter G. Wilson, son of Mr. and Mrs. Oren H. Wilson, Gettysburg R. 4, and member of the Freshman Class at Temple University, Philadelphia, has been pledged by the Sigma Phi Epsilon fraternity there. He was graduated from Gettysburg High School in June.

French Premier Will Not Sign German Rearmament Pact Until Dispute Over Saar Is Settled

By JOSEPH E. DYNAN

PARIS (AP) — French Premier Pierre Mendes-France said today he will not sign the Western agreements on German rearmament until tomorrow unless he gets a satisfactory settlement of the French-German dispute over the Saar, for which the outlook is not bright.

The Premier made this statement to reporters with the full backing of his Cabinet, which a few moments before had unanimously endorsed his policy and actions in the conferences here this week.

His statement, in effect, set a 24-hour deadline for France and West Germany to come to terms over the future status of the tiny frontier area, which is wealthy in coal and steel.

Plans have been made for the signing tomorrow afternoon of accords to restore West German sovereignty and enlist the Ger-

PREPARING FOR AIR RAID TEST EARLY IN WEEK

Adams County auxiliary police will halt all traffic and will also, when possible, remind residents of the county to draw window blinds and curtains during the air raid test to be held sometime between midnight Sunday and midnight Wednesday, Civil Defense Director William G. Weaver announced today.

The actual hour of the test is unknown, with state and national Civil Defense officials eager to learn how the public and civil defense workers react to an air raid drill called as a "surprise," without prior notification of the hour of the test.

A new feature of the current test will be public participation by the pulling of blinds and curtains in homes and business places, where possible, during the period between the red alert and the all-clear signal.

"Red" Alert To Public

The "red alert" will be announced to the public by a long warbling sound on sirens or by whistles, and in some instances both.

All traffic will come to a standstill at that time, and pedestrians are asked to take cover.

William G. Weaver, county Civil Defense director, said the requirement that blinds or curtains be drawn is based upon the actual need for such protection in the event of actual bombing. Windows may be shattered miles from the center of any blast in the event of a bomb dropping and it has been found from experience in areas where bombing took place in other countries that many injuries result from flying glass that can be halted by blinds or curtains. Venetian blind with their metal strips make excellent protection against flying glass, it was pointed out, as do heavy drapes. Even ordinary window blinds provide some protection.

Countians are asked to draw blinds and curtains during test drills in order that such practice will be automatic in the event of an air raid. Such practice also helps cut down "sky glow" from towns and, while bombers can find targets by radar, still helps to an extent to the hospital.

HARTZELL QUILTS AS GOC CHIEF

Crosby N. Hartzell, Hillcrest place, has resigned as chief of the Ground Observer Corps in Adams county and has been succeeded by W. Howard Armor, York St.

County Civil Defense Director William G. Weaver in announcing the resignation of Mr. Hartzell and the appointment of Mr. Armor, said the resignation of the former chief was accepted with "deepest regret. Mr. Hartzell has served well and faithfully for the last 18 months, and we agree that he had done more than his share for Civil Defense in the county."

"To him goes the credit for setting up the spotter stations now in operation in Adams county. It was a hard and tedious task with many set-backs and was accomplished only because Mr. Hartzell worked unflinchingly for many long hours, weeks and months. He saw the work through to completion and now feels that he can no longer devote as many hours to the program because of the pressure of his regular business."

The new chief of the ground observer corps assumed his duties today. A spotter for the Gettysburg ground observation post since its inception, Mr. Armor has "demonstrated a deep interest in the important work of the Ground Observer Corps," Director Weaver said.

Bands To Perform At Game Tonight

Two 60-piece bands will perform at half time during the Chambersburg-Gettysburg football game here this evening with the first six minutes going to the visiting musicians under the direction of Irvin G. Valentine.

Led by Drum Major Darlene Hock and with the 12 majorettes headed by Eleanor Drummond, the Chambersburg band will form a musical note, a big C and a "skirt formation" while special musical numbers are played.

The Gettysburg Band under Robert G. Zeigler will feature Latin American music as the band "salutes its neighbors to the south in observance of U.N. Week." Donald Moser is the drum major and Billie May Shearer is chief of the majorettes.

AUTOS COLLIDE

A car operated by George A. Hoke, York, received damages estimated at \$200 when York police say it collided with a car pulling from the curb Thursday at 3:25 p.m. Police said Hoke was driving south on Baltimore St. and the car pulling from the curb was operated by James Joseph Kelly, Emmitsburg. Damages to Kelly's vehicle was estimated at \$20. No one was injured.

Loses Hand In Cornpicker

George Ruhlman, 45, York Springs R. 2, had his left hand amputated at the wrist at the Hanover Hospital Thursday afternoon after the hand had been mangled in a cornpicker while Mr. Ruhlman was working in his own cornfield, three miles southeast of York Springs.

The accident occurred about 1 p.m. when Ruhlman is reported to have attempted to remove a stalk of corn that was choking the machine. The hand was caught by moving machinery.

Ruhlman, who was alone, walked a quarter mile to his house and then a half mile to a neighbor, B. J. Griffie, who took him to the hospital. The Ruhlman does not have a telephone and Mrs. Ruhlman does not drive her car.

His wife gave him a towel and with that he checked the flow of blood until he reached the hospital. There he declined a wheel chair, brushed aside a screen so that he could watch the amputation and his room but walked there.

The hospital said today his condition is good. Surgeons said he apparently had not lost much blood.

COLLEGE OPENS ADULT COURSES NEXT TUESDAY

Gettysburg College will offer seven non-credit courses in the fall session of its Adult Education Program which begins next Tuesday. This year's program will include several new courses, Child Psychology, World Affairs and Antique Appreciation, in addition to the subjects taught last year, Public Speaking, Creative Writing, Accounting, and Music Appreciation.

None of the courses offer credits, but a certificate is awarded upon completion. A fee of \$12 is charged for each course. Classes are conducted two hours an evening one night a week for six weeks. All classes will be held in Glatfelter Hall. Advance registrations are requested although members will be accepted at the first class meeting. All inquiries and registrations should be addressed to the Director of Adult Education, Gettysburg College.

Child Psychology

The course in Child Psychology is intended to help parents understand their children, and will be taught by Oliver Helmrich, of the Gettysburg Psychology Department. Among the topics to be considered are mental growth, behavior, and personality development. Classes will meet Wednesday evenings, beginning October 27.

World Affairs, a course in international relations, including the forces behind today's conflicts, will be taught by Philip Johnson, instructor in political science. Johnson served as a combat engineer officer in the China-Burma-India theater during World War II, has been a news commentator, and has written on Political Problems.

The course, which will include discussions on East-West relations, the "cold war," problems of atomic control, the United Nations, and

CORONER'S JURY BLAMES DRIVER IN STONE DEATH

Responsibility for the fatal auto accident early on the morning September 19, near Greenstone, on the Waynesboro Highway, was placed on Paul Edwin Black, 43, Martinsburg, W. Va., by a coroner's jury Thursday afternoon at the court house.

Black, who is on bail for a hearing next Tuesday morning on a manslaughter charge, attended the inquest, conducted by Dr. C. G. Crist, Adams County coroner, in the courtroom but he did not testify.

The jury found that Charles Stone, Bridgeville, Pa., died as a result of a collision between Black's car and a machine operated by Clarence V. Lee, Carnegie, Pa., in which Stone was a passenger.

Lee Not At Fault

The jury wrote: "The evidence indicates Lee was operating his car properly in his right lane. We believe the accident was caused by Black's car swerving across the road and into the path of the Lee machine." Testimony showed the cars collided nearly head-on.

Only three witnesses were called by Coroner Crist. They were Dr. Bruce N. Wolff, Warner Hospital surgeon; Mr. Lee and Pvt. James A. Treas of the Gettysburg Substation of the state police, who investigated the accident. Treas, also showed photos he had made at the scene before the cars were moved.

Pvt. Treas told the jury he had learned Black had been drinking the afternoon before the accident at the Fairfield Hotel and in the evening had been at the Silver Dollar, a tavern near the scene of the crash, until about 10:30 p.m. when he was "flagged" there and was refused any more drinks.

Doesn't Recall Crash

Black returned later "in fairly good shape" and drank some coffee at the Silver Dollar but the officer said he could not trace all his movements before the accident. The officer and Dr. Wolff both

E. G. LOEFFEL NEW HEAD OF S. E. FIREMEN

Edward G. Loeffel, Littlestown, was elected president of the Firemen's Association of Southeastern Pennsylvania at a quarterly meeting Thursday night at White Oak park, York. He succeeds Joseph N. Sostar, Steelton.

Loeffel, who was first vice-president, will serve for a year. Other vice presidents who, according to by-laws, automatically moved up one step, are Jacob W. Gassert, Lebanon, first vice president; Grover C. Wingerd, Carlisle, second; W. William Vanderaar, Chambersburg, third; and Marvin A. Rahe, York, fourth. Wilbur C. Helstand, Salunga, sixth vice president last year, declined the fifth vice presidency and was replaced by Morris Trout, Kinzer. Sixth vice president is Fred Lopcaric, Steelton.

Re-elected were Lee F. Reary, York, recording secretary; Norman T. Finger, Steelton, financial secretary; J. W. Dressler, Hershey, treasurer and Dr. William A. Wolf, Lancaster, chaplain.

Lake Shanbrook, Littlestown, was named delegate to the state firemen's convention, and William Alwood, Carlisle, alternate.

Goodwill fire company was host at the affair. Between business meetings members attended an open house at General Electric company plant.

Next meeting will be held Jan. 29 with an unnamed Cumberland county company as host.

Native Of County Dies In Wisconsin

Thomas N. Cashman, York Springs R. D., today received word of the death of his uncle, Edgar L. Neely, native of Adams County, at the latter's home in Prescott, Wis.

Mr. Neely was born on the farm on which Mr. Cashman resides. He was a son of the late Thomas G. and Margaret Dicks Neely. He left Adams County 52 years ago. His wife died in 1947.

Mr. Neely died Thursday morning at 7 o'clock. Funeral services will be conducted Saturday afternoon at 2 o'clock.

American foreign policy, meets Friday evening, beginning October 29.

The course in the Collection and Appreciation of Antiques will include the periods of American antiques, glass, china, furniture, and the current popular specialties. Some attention will be given to condition value and restoration. John Byers, artist, antique dealer, and authority on Pennsylvania Dutchware, will instruct the course that meets Wednesday evenings, commencing October 27.

Creative Writing
Creative Writing, a workshop in the short story with individual criticism and help again will be taught by Mrs. Kressman Taylor, well-known short story writer and professor of English at the college. Because of the individual nature of instruction, classes, which meet Friday evening starting October 27, will be limited to 10 persons.

Richard C. Debus, business manager of Gettysburg College, will teach Accounting, an introductory course including work on the preparation and analysis of the balance sheet, statement of profit and loss, types of financial statements, and discussions of the account content supporting these statements. Classes, which meet Friday evenings, begin October 29.

Music Appreciation, a listening course intended to increase enjoyment and understanding of good music, will be taught by Dr. Fred Shaffer, head of the Gettysburg Greek Department and professor of music appreciation courses at the college. The class will meet Tuesday evenings, beginning October 26.

Public Speaking, to be given by Professor Harry F. Bolich, of the Gettysburg English Department and instructor in speech at the college, is intended to develop poise in all speech situations from conversation to platform speaking. Some consideration will be given to parliamentary procedure. Classes, which are limited to 14 persons, will meet Friday evenings, commencing October 29.

County Motorist Involved In Crash

Three members of a York County family were injured in an accident involving a truck and three automobiles at 6:30 a. m. Thursday on the Lincoln Highway, a short distance west of York.

Admitted to the West Side Osteopathic Hospital, West York, were Lavere E. Dellinger, 36, Thomasville R. 1, back injury; his wife, Velma, 33, possibly fractured knee; and their three-year-old daughter, Linda Jean, head injury.

State police of the York detail said automobile operated by Charles Stambaugh, 35, Thomasville, and a truck in which the Dellingers were riding had halted for a train at the Western Maryland Railway crossing at the foot of Pottery Hill when a car driven by Kenneth Zorbaugh, 39, Hanover, ran into the rear of the truck.

According to police, the Dellinger vehicle was shoved into the Hall car which in turn was pushed against the Stambaugh vehicle. Total damage was estimated at \$1,800.

tions" for a Saar settlement which he could not approve. This apparently was a reference to the bi-partisan German statement handed to the Western Big Three high commissioners earlier in the day.

Negotiations Deadlocked

German sources said the Saar negotiations are deadlocked despite a lengthy meeting between deputies for the Chancellor and for the Premier late last night.

Before the Premier left the Cabinet session, a government spokesman said the German position had "stiffened" much beyond what had been feared. He said that if Mendes-France signed other agreements without getting a settlement of the Saar issue, it is "evident" that the National Assembly might refuse to ratify them.

Adenauer met for more than an hour today with Socialist party chairman Erich Ollenhauer to frame the German bipartisan approach on the Saar. Their demands were reported to include political freedom for pro-German parties in the Saar, closer economic relations with Saarlanders and French recognition that the Saar regime is only a provisional one subject to review in a final German peace treaty.

Nine Ministers Agree

Foreign ministers from nine Western nations got over their worst difficulties yesterday by agreeing to set up a WEU defense pact which would link a re-armed West Germany with Britain, France, Italy, Belgium, the Netherlands and Luxembourg.

The ministers also nearly finished a treaty designed to free West Germany from its 10-year status as an occupied country. The parliaments of each country involved must ratify the agreements before they become effective.

Informants said the foreign ministers of the United States, Canada and seven WEU nations settled yesterday on strict controls for the new German army until 1956. Without unanimous consent of the WEU, the Germans cannot have more than six motorized divisions, four tank divisions and two mechanized infantry divisions, plus special corps troops. The air force will be limited to 1,326 fighters and medium bombers. The naval force will be allowed coastal patrol boats. Manufacture of atomic weapons will be prohibited.

The ceiling on France's army was raised from 14 to 18 divisions. All that remained to be done today—except for the Saar—was to put into shape an agreement for bringing West Germany into the North Atlantic Treaty Organization. The 14 NATO allies were slated to meet late this afternoon to invite the Germans to join.

NO DANGER FROM ATOMIC PLANT ENGINEER SAYS

BETHLEHEM, Pa. (AP)—If you happen to live near an atomic power plant, there's no need to feel uneasy, a scientist said today. They can't blow up like an atomic bomb. In fact, said Harold W. Huntley, an engineer with General Electric Co.'s Atomic Products Division, nuclear reactors for production of peacetime power can be designed so they are as safe as conventional power plants.

He spoke at a meeting of the American Society of Engineers. "You may be assured," he told the American Society of Engineers, "that reactor designs which are approved for installation are as safe as it is humanly possible to make them."

LITTLESTOWN WIRING FUND DRIVE NOV. 5

On Friday, November 5, nearly 40 civic-minded citizens of Littlestown will make a house-to-house canvass of the community to help raise funds for the new overhead wires recently strung on Littlestown Memorial Field.

Littlestown High School ran into trouble with its lighting system several weeks ago when a short circuit underground forced the postponement of their first home football game with Susquehanna.

To avoid similar difficulty in the future, wires were strung overhead at a cost of \$1,165.

A group of Littlestown citizens, in cooperation with the High School Athletic Council, has volunteered to

help raise funds to bear this expense. A Booster Tag Day will be conducted in connection with the Delone Catholic High School football game, in Littlestown on November 12 at 8:15 o'clock.

Each Receive Tag
Volunteer solicitors will visit homes in the community starting at 5:30 o'clock November 5 to accept donations of any amount. Each donor will be given a tag bearing the inscription, "I am a Lite Booster for the Littlestown Memorial Field."

The solicitors will also be located in the center of town the same evening to contact those who wish to donate but were not at home when the volunteers called.

The booster tag will not admit the contributor to the game, November 12, but will indicate those who have helped bear the expense of the new wiring.

Walter J. Travis won the U.S. Golf Association Amateur title three times, was medalist six times.

'Bolts Need Win At Kennard-Dale

The undefeated Littlestown High School Thunderbolts close their Laurel League football schedule Saturday afternoon at 2 o'clock when they meet Kennard-Dale on the Comets' field.

Unless an unexpected loss occurs, it appears the Thunderbolts close their West York Bulldogs will share the Laurel League Conference title this year. West York and Littlestown battled to a 6-6 tie in the season opener.

This evening the Bulldogs face York Catholic in a non-conference tilt and close their Laurel League season October 30 when they host Dallastown.

The Thunderbolts have a game scheduled with Carson Long, November 6, at 2 o'clock and return to Memorial Field to face the Delone Squires on November 12.

DELONE FROSH DOWN PENBROOK FOR 4TH WIN

Delone Catholic High School's undefeated freshman football team won its fourth straight victory Thursday by defeating Penbrook Junior High 18-7 at McSherrystown.

After a scoreless first period, the Squires tallied in the second quarter when Charlie Dick pulled up a Penbrook fumble and ran 30 yards.

Penbrook went ahead early in the third period when Smith plunged three yards and Atticks passed to Nye for the extra point.

Delone rallied and staged a 40-yard drive with Dick Hemler plunging over from the one-yard mark to put the Squires in front 12-7 late in the quarter.

The final Delone score came in the last period on a 35-yard aerial from Hemler to Bill Wierman.

CORONER'S JURY

told the jury Black has no recollection of the fatal accident. He was unconscious for more than a week after the crash.

Dr. Wolff said Black himself was critically hurt and testified the odor of alcohol was noticeable on Black when he was admitted in an unconscious condition.

Lee testified he was driving east when the Black car approached from the opposite direction and suddenly swerved over into Lee's lane. "I tried to swing away from him but I don't know whether my car ever turned. It happened so fast," Lee estimated his own speed at 40 miles an hour and said Black was going "not too fast."

Broken Glass in Lee's Lane
Lee accompanied Mrs. Stone and her daughter, Barbara, to the Waynesboro Hospital where Mrs. Stone remains. Lee displayed a picture of the highway at the accident site he took sometime later.

Pvt. Treas said both cars were demolished in the crash and said there was no way to tell if a mechanical defect had caused the crash. None of Black's tires was flat after the crash, he added.

Taneytown

The driver of a car which figured in the crash death of a Taneytown man recently has been found guilty of failing to keep to the right center of the road.

Trial Magistrate C. Rogers Hall Jr., Westminster, sentenced John Harvey Getzendanner, Taneytown, to pay a fine of \$50 and costs on the charges. His car collided with a truck driven by Raymond James Ohler, Taneytown plumber, who was exonerated of reckless driving charges. Ohler's helper, Lester Koons, Taneytown, was killed in the crash. Charges were filed by Trooper I/C Boose.

There were no tire marks on the highway that was wet when he reached the scene but the broken glass was in Lee's lane of the highway, he said.

Witnesses were questioned by Dr. Crist and by District Attorney Daniel E. Teeter. Attorney Donald Ofler represented Black at the inquest.

Members of the jury were Mrs. Cora Sfera, Miss Jean Miller, Mrs. C. T. Ziegler, Miss Edna Elchoitz, Hugh Craig and Hugh C. McElhenry.

Firemen To Be Alerted

Adams County's firemen will be notified of the "yellow" alert through a fan-out of calls by telephone and the "red" alert will be sent over the firemen's Civil Defense radio system. Fire chiefs receiving the calls on the yellow alert are arranging to have the radios on the fire trucks in operation immediately to receive the red alarm which will send the sirens and whistles into action notifying the public of the raid.

As part of the drill, which may come at any time of the day or night, the CD welfare services will also be alerted as well as the firemen, auxiliary police and other Civil Defense workers.

Weaver said today that the only certain time at which the alarm will not come is at 8:45 o'clock Monday morning. The state CD has announced it will hold its regular weekly test of the signal and light system which gives the alarm from state headquarters to the CD director for the county, state police and a few others in the county. But the test may come at any other time, including a few minutes before the regular test or a few minutes after, he said.

FIFTEEN YEARS AGO

Judge Sheely Calls On Psychologists To Help Dispose Of Some Cases: In order to supplement other sources of information on prisoners coming before him for sentence, Judge W. C. Sheely, president judge of the courts of Adams county, has sent a score of prisoners to psychologists this year for additional facts to guide him in disposing of the cases in a way most advantageous to the individual and society. The scientists have been called upon to aid not only in determining the real cause of a defendant's delinquency, but have secured facts that have indicated in some cases the most advisable manner in which to deal with the prisoners.

Judge Sheely has made use of such reports from scientists in certain types of cases many times since he took the bench nearly four years ago. Similar courses are followed by jurists in a number of other counties in the state.

Twins Are Born To Emmitsburg Couple: Twin daughters were born at the Warner hospital Sunday (Oct. 22) to Mr. and Mrs. Harry Scott, Emmitsburg.

Mr. and Mrs. Dale Bricker, Biglerville, announce the birth of a son early this morning (Oct. 23) at the hospital. An eight-pound son was born Sunday to Mr. and Mrs. Paul Plitt, New Oxford.

Zane Grey, 63, Novelist, Dies: Altadena, Calif., Oct. 23 (AP)—Zane Grey, noted writer and sportsman, died suddenly today at his home of a heart attack. He was 63. Attending physicians said the author was suffering from coronary thrombosis and succumbed to a sudden seizure this morning.

Grey attained fame and fortune through writing colorful novels of the west, most of which have been produced many times as motion pictures. His hobby was deep sea fishing and he spent many months in recent years following this sport in the south seas. Grey was born January 31, 1875, at Zanesville, Ohio, the son of Lewis M. and Alice Josephine Zane Grey. Several of his books, such as "Riders of the Purple Sage," "The Rainbow Trail" and "The Heritage of the Desert," have become standards of western fiction.

Accepts Nursing Position: Miss Mary B. Bigham, a recent graduate of the Episcopal hospital, Philadelphia, has accepted a position in the New York hospital, New York city. Miss Bigham, who is a daughter of Mr. Beulah Bigham, Gettysburg R. 2, left Sunday to assume her duties.

Leo Ramer Once Served On "Flint": Early this year Leo D. Ramer, of Gettysburg, ended a five-year period as a member of the crew of the City of Flint, American steamship which is being held in a Russian port by the Germans.

He became a member of a crew of another freighter this year. He is recuperating from an illness at the present time. Paul B. Ramer, Buford avenue, and his family visited the City of Flint several times while Leo, a brother of Paul, was a member of the crew.

Henry J. Smith, West Lincoln avenue, also is familiar with the City of Flint through visits in the company of Paul Ramer.

Observes Anniversary: Mrs. Nicholas Ling, of New Oxford, observed her seventy-fifth birthday anniversary today. She is the mother of Mrs. George Miller, Buford avenue.

Wedding: Robert Frederick Lackner, Wilkensburg, and Catherine Theresa Kneeb, Mt. Lebanon, were united in marriage at 7:30 o'clock in St. Francis Xavier Catholic church by the Rev. Raphael Gross, assistant rector.

The couple was attended by Mr. and Mrs. Carl Vilsack, of Pittsburgh.

Today's Talk

SAMPLES OF YOURSELF
All about us are influences, but people influence us to a greater degree than anything else. We leave bits of ourselves everywhere we go. Most of this influence we know nothing about. An act, or something spoken, or perhaps no more than a glance or a smile—and a sample of us is left behind as we go our way.

In books it's the same—the writer's personality is stamped in words and phrases, and in ideas. A human being cannot be snuffed out unless he decides that he wants to be! Most people are proud to be of some use or inspiration to others. And so they plant samples of themselves wherever they go and in all that they do.

In a painting, or a beautifully constructed piece of furniture, or in a rug or tapestry, are the tracks of human beings who created such art and beauty. If we gave greater thought to this fact we would be more influential, and more greatly self-inspired. Great works of art are usually signed because people like to know that the creator put himself into what he did.

So truly does a person leave a sample of himself behind that though his work is not signed, people recognize him there anyway. It is difficult to betray oneself! People will somehow discover you. Even though a master's work is copied, the original still stands out. Experts discover it in paintings long aged or even covered with other painting.

Each of us is a responsible human being. If we leave good samples of ourselves behind, our influence will keep accumulating far into the years. The old philosophers of Greece and Rome still live in their thoughts and expressed opinions. All through the works of Shakespeare are samples of his humanity and genius. That is why his works will never die. No one has ever predicted the end of good influence.

Tomorrow Mr. Adams will talk on the subject: "The Press Of The Hand"

Engagement

Strine—Weikert
Mr. and Mrs. Merle Weikert, 369 East King St., Littlestown, announce the engagement of their daughter, Bonnie L., to Harry Strine, son of Mrs. Carrie Strine, North Queen St., Littlestown.

Miss Weikert, a graduate of Littlestown High School, is employed as a secretary at the Littlestown Hardware and Foundry Company, Littlestown.

Mr. Strine, also a graduate of Littlestown High School, is employed by Bankert's Restaurant, Littlestown.

No date has been set for the wedding. The couple will be married at the home of Mr. and Mrs. Edwin A. and Cora B. Rice, Jersey Shore, Pa., formerly of Arendtsville, to Clair B. and LaRue H. Deardorff, Arendtsville, of the Rice property on South High Street in Arendtsville.

Local Girl Weds College Grad: Announcement has been made of the marriage of Miss Mary Louise Leas, daughter of Mr. and Mrs. J. Walter Leas, of West Middle street, and Edward Allen Wenrich, son of the Rev. and Mrs. Elmer Wenrich, of West Reading. The pair was married last Saturday at Albion, Virginia, by the Rev. E. B. Smith in the parsonage of the Lutheran church. There were no attendants.

Following the ceremony they took a short wedding trip over the Skyline drive and other parts of Virginia.

The bride is a graduate of Gettysburg high school and of the State Teachers' college at Shippensburg. Mr. Wenrich graduated from the West Reading high school and from Gettysburg college in the class of 1937.

Littlestown High School Student Government Is Headed By Council

The most active, but perhaps youngest, organization of Littlestown High School is the student council. The council was started in 1949 and adopted a constitution in 1951.

In 1953, the Littlestown High School council was accepted into membership of the National Association of Student Councils and the Pennsylvania State Association of Student Councils.

This year, instead of officers being nominated and voted upon by the student body, students campaigned for offices. Early in October, after weeks of campaigning, four polling places were set up in the auditorium and pupils from grades nine to twelve, inclusive, voted for a student council president, class representatives to the council and class officers.

Terry Brown, member of the Senior class, was elected president of the student council. Representatives to the council and class presidents, who are automatically council members, are: Twelfth grade, George Snyder, president, John Koonitz; Eleventh grade, James Zulick, president, Nancy Slusser and Barton Yohn; Tenth grade, Johnny Flynn, president, Gerrie Roberts and Loretta Study; Ninth grade, Carole Sponseller, president, Gloria Burgoon and Sandy Shadle; Eighth grade, Jerrie Warner, president, Judy Long and Janet Hedges; Seventh grade, Eddie Leister, president, James Sentz and Eddie Knipple. Miss Leora Held, faculty English instructor, is the guidance director of the group.

In conjunction with the school policies set up with the school administration, the student council helps to formulate and carry out the policies. The council betters the school and helps students grow into helpful citizens later in life. Election of other Student Council officers, except president, will be held Wednesday afternoon.

Honor Society To Visit New York

The National Honor Society of Littlestown High School will leave for their annual New York City trip Thursday morning and return home Sunday evening.

Students making the trip are: Terry Brown, George Snyder, Larry Snyder, Tom Stonessier, Elizabeth Ann Crouse, Patty Long, Susie Harner and Marilyn Spangler. Miss Leora Held and Mr. and Mrs. Frank Basehoar will serve as chaperons.

LIONS OBSERVE 15TH BIRTHDAY IN LITTLESTOWN

The 15th anniversary of the organization of the Littlestown Lions Club was celebrated at a Ladies' Night banquet and program Thursday evening, held in the social room at St. John's Lutheran Church. Seventy-nine were present to enjoy the roast turkey dinner.

The Rev. Porter W. Seiwel, pastor of Grace Evangelical and Reformed Church, Shippensburg, was guest speaker for the occasion. Wilbur A. Bankert, of the program committee, served as toastmaster and introduced the speaker, who chose as his subject "Autographs." The Rev. Mr. Seiwel told how the local Lions "wrote their own autograph" during the past fifteen years.

Special music was provided by Mrs. John F. Feeser Jr., at the Hammond organ. Mr. Bankert, who was the first president of the club, gave a resume of the club's activities since organization, listing purchasing eye glasses for the needy as the chief project; conducting several ambulance fund drives, serving as co-sponsors of the Littlestown Boy Scouts; responding to all local appeals, and many more. The Lions received their charter on December 7, 1939.

Give Gifts

Fifteenth anniversary favors were received by each in attendance, and all the ladies received corsages. The flowers used for table decorations were given to Mrs. Wilbur A. Bankert, W. A. Crabbs, Mrs. Mary Baughman, Miss Donna Milo, Mrs. Charles E. Tressler, Mrs. Clayton L. Evans, Mrs. Ervin A. Rebert and Mrs. John D. Basehoar. Guests present included Mr. and Mrs. F. E. Fogle and Miss Donna Milo, Hanover; Mrs. Edgar E. Yealy, Mrs. Mary Baughman, and Mrs. Melvin B. Wehler, of town.

At a directors' meeting, these two contributions were voted: \$25 to the Littlestown Girl Scout fund drive and \$27.50 to the camera for the Littlestown High School, which was purchased by the Littlestown Junior Chamber of Commerce. The next regular meeting of the Lions will be held on Thursday, November 4, 7 p.m., in St. John's social hall. The program will be in charge of the publicity committee composed of Paul L. Hollinger, Ralph A. White and W. A. Crabbs.

Bullets And Muhlenberg Meet Here On Saturday In Annual Homecoming Game

For the past three seasons the Gettysburg College gridders have won Homecoming games from Muhlenberg and on Saturday afternoon they will try to extend that streak to four when the Mules are met on Memorial Field. The kickoff will be at 2 o'clock.

From all angles Saturday's games looms as a toss-up and should prove a tight battle all the way.

Muhlenberg got off to a poor start in losing to Bucknell 33-13 and Albright 12-7 but came back to trounce Lafayette 27-0 and Lebanon Valley 32-0. Compared to that record, Gettysburg lost to Bucknell 29-0, laced Albright 28-0 and bowed to Lehigh 20-6.

According to reports from Allentown, the game with the Bullets is ranked by Mule players as a "must." Their recent victories have boosted the squad's morale to a new high level and Coach Tom Triplett will send a scrappy band of Cardinal and Grey players onto the field.

McDonald Is Ace
Foremost in the Mule lineup is Jackie McDonald, 160-pound backfield speedster who is again sparking the Muhlenberg offense.

In addition to McDonald, Coach Triplett has 18 other lettermen primed to oppose Gettysburg. The Mule forward wall and backfield will have a big weight advantage.

Coach Johnny Vojcisin of the Bullets said today he rates the teams as "about even." "I think we will be on the rebound," he added, "for many of our players realize that with a little better performance last week we could have won from Lehigh. The squad is in better condition now than at any time this season. We have had a fine week of spirited drills and all of the boys are in good shape. We'll have to be at our best to win," he concluded.

There will be no change in the Bullets starting lineup. It will be composed of Fred Alleva and Dick Lewandowski, ends; Frank Eckert and Bob Dickson, tackles; Carl Beck and Bill Weitzel, guards; Sheldon Yingst, center; Frank Gagliardi, Ernie Paliszewski, Jim Megee and Bob Eppelman, backs.

Saturday's game will mark the 3rd between the school in a series dating back to 1907. The Bullets hold a 17-15 edge. There has never been a tie game between the schools. Last year Gettysburg eked out a 20-19 decision at Allentown.

A special Homecoming program has been arranged for Saturday. **Special Program**

At 1:30 a drill will be presented by the college Air Force. The Homecoming queen will be crowned at 1:30 after which the annual float parade will be held. During half-time the silver-plated tin cup, to be awarded following the game to the winning team, will be presented to the player who is adjudged the best first half performer. The player will be awarded a miniature tin cup following the game to replace the larger cup.

This evening the floats will form a parade to Lincoln Square at 8 o'clock after which a pep rally will be held on the rear steps of Old Dorm on the college campus.

PATTERSON IS FAVORED OVER EX-COP CANNON

NEW YORK (AP)—Floyd Patterson, 19-year-old light heavyweight contender who has been nurtured as carefully as a hothouse plant, is favored to make ex-cop Joe Gannon of Washington his 17th pro victim tonight at Madison Square Garden.

There's no betting. The wagering gentry consider the Brooklyn biter a cinch.

It is his Garden debut as a main event even though the bout is limited to eight rounds. Patterson can't fight more than eight rounds in New York until he reaches his 20th birthday.

Has 16-1 Record

In Gannon, he meets a 27-year-old, 173-pound boxer whose chief claim to fame is that he is one of Rocky Marciano's sparring partners. Gannon, former AAU welterweight champion in 1944, fought as a pro until 1948 when he hung up his gloves to become a Washington policeman. He had won 10 straight when he quit.

After serving a year in the Army, he returned to the ring in 1953 and has scored seven straight victories. He is a standup fighter, a type Patterson likes to meet.

Patterson, beaten for the first time by ex-light heavyweight king Joey Maxim in a tight fight June 7, has a 16-1 record. He is ranked fifth among the 175-pounders.

SAXTON GIVEN SUSPENSION ON JAIL SENTENCE

By MURRAY ROSE
NEW YORK (AP)—It was December in October for Johnny Saxton today.

Santa Claus paid another visit to the freshly crowned welterweight champion and dropped another present down his chimney—a suspension of his 15-day jail sentence for 12 traffic violations.

But just how long Santa will continue to bestow favors on the 24-year-old Negro champ remains to be seen.

4 Prize Stinkers
There was talk of a possible title bout between the New York and Carmen Basilio, the No. 1 contender from Canastota, N.Y., but that was clouded by the shouts of ex-champion Kid Gavilan's handlers that the Cuban has "an ironclad return bout contract."

The reluctant champion, about as cautious and boring a fighter to come on the scene in modern days, has been a party to four prize "stinkers" in the last three years. He reached the apex of his career of etherizing the customers in Philadelphia's Convention Hall Wednesday night when he demolished Gavilan.

Tune Has Changed
Frank (Blinky) Palermo, the Philadelphia manager of Saxton, who once said his buddy Angel Lopez, Gavilan's manager, didn't have to worry about a return—"He has my word"—now was singing another tune.

"We ain't signed for nobody," said the Blinky. "All we want is dough."

Harry Markson, managing director of the International Boxing Club, said as far as the IBC knew there was no return contract. He shrugged when the question was put to him. He said the IBC was interested in a Basilio-Saxton match.

Rookie Puts Bears In Hockey Lead

By THE ASSOCIATED PRESS

Hershey's Bears held the undisputed lead of the American Hockey League today, largely because rookie wingman Fred Pletsch picked an opportune time to break into the scoring column.

Pletsch, with only a pair of assists in four previous games, rammed in his first goal to tie the Springfield Indians 3-3 with a little more than five minutes remaining last night at Hershey. Then, with only 1:22 left, he slapped in his second for a 4-3 Bears' victory.

It was the only game played last night and evened Springfield's record at 3-3.

Trojans Engage Warriors Here Tonight At 8

A large crowd is expected to be on hand tonight when the Gettysburg High Warriors meet Chambersburg in a South Penn League game on the local field at 8 o'clock.

Although each team is out of the running as far as a league championship is concerned, both will go all out for victory to improve on their present 2-4 records.

Nine GHS seniors will be appearing before a home crowd for the final time.

Following tonight's game the Warriors play at Hershey October 29 and at Mechanicsburg on November 5 to wind up their campaign.

SALVATERRA IS PITT'S NEW NO. 1 QUARTERBACK

PITTSBURGH (AP)—Back in spring training "Corny" Salvaterra was just another halfback, but in the last fortnight he blossomed into Pitt's No. 1 quarterback.

"It happened just like that," said Salvaterra, snapping his fingers. "Several days before the Notre Dame game I reported for practice and Coach (Lowell) Dawson told me, 'You're a quarterback now.'"

"Well, it really surprised me. I didn't think I had a chance with so many quarterbacks around. But everything's worked out fine."

Not New To Him
Quarterbacking is nothing new to Salvaterra. He was a split-T magician at G.A.R. High School year directed Pitt's undefeated freshman team.

He got his big chance against Navy last Saturday. Salvaterra, playing only his second college football game, threw one touchdown pass and ran for two himself to give Pitt a 21-19 upset victory over previously unbeaten Navy.

Pitt meets Northwestern tomorrow at Pitt Stadium before an estimated crowd of 20,000-25,000. This game is one of three NCAA regionally televised contests.

This is the Wildcats' first visit to the Steel City. They've beaten the Panthers twice and lost once. In 1949, the Panthers handed Northwestern, that year's Rose Bowl champs, a 16-7 licking in a bruising contest.

Northwestern is a 1/2 point favorite. Both teams have identical records, one win and three losses.

CARLISLE TOPS BIGLER J-VEES BY 19-6 SCORE

The Biglerville High School junior varsity football team lost a 19-6 decision to the Carlisle reserve in a game at Carlisle Thursday evening.

Carlisle scored in the first period when Ray Morrison raced 14 yards on an end run. Late in the second period a Carlisle 20-yard pass to Leo Beam produced the second tally as Beam fell over upon being tackled at the goal line.

On the last play of the half Don Hartzell took a 30-yard pass and raced 20 additional yards before being caught from the rear by a Carlisle player on the Herd 20-yard line.

Baltzley Scores

No score resulted in the third period but the last play of the stanza set up Biglerville's lone touchdown. Baltzley passed to Hartzell for a play covering 50 yards and on the opening play of the final quarter Baltzley streaked over from the 5 on a lateral end run. A fumble smothered the try for the point.

Late in the game a fourth down Biglerville pass fell incomplete and Carlisle took possession on the Caner 25. Three plays later Bill Dittenhafer swept end from the 10-yard line for the score and Jim Spangler booted the point.

Coach Bob Garrett's team threatened in the last minute when Dave Slaybaugh ran 60 yards to the Carlisle 25 but a pass interception followed to end the game.

The winners collected 13 first downs while Biglerville picked up six.

Biglerville's lineup included: Ends, Hartzell, Howerly, Heyser, Cluck; tackles, Trimmer, Hess, Smith; guards, Wallen; guards, Bergin-Smith, Weigle, Harmon, Marks; centers, Petters, Hemsley; backs, Byers, Weber, Slaybaugh, Bolen, Baltzley.

Score by periods:
Carlisle 6 6 0 7-19
Biglerville 0 0 0 6-6

TDs, Morrison, Beam, Dittenhafer, Baltzley. PAT, Spangler, kick.

NEW OWNERS OF A'S CHAFE AT NEW DELAYS

PHILADELPHIA (AP)—The new owners of the Philadelphia Athletics—not officially owners at all—are chafing at the bit.

Arthur Rosenberg, spokesman for the nine-man syndicate which purchased the A's, said he can't understand what's holding up American League approval of the deal.

"If favorable or unfavorable news isn't received" from League President William Harridge today, Rosenberg said, "two men will be sent to Chicago to talk with him."

But Rosenberg added his group wants to be delicate about everything. Antagonizing Harridge or other American League officials would do the new owners cause no good, he said.

Documents Lacking

"We have sent Harridge a list of the new owners with their financial and social background," he said. "Roy Mack has informed the league president that he and his brother Earle and father Connie have sold us the club. If there is any other information Harridge wants, we are not aware of what it is."

In Chicago yesterday, Harridge said Roy Mack still had not provided him with the signed bill of particulars. He said this is necessary for league approval. Until the agreement is "signed, sealed and delivered," Harridge said, his office cannot act in the matter.

At a day long meeting in Philadelphia yesterday, the syndicate worked over final details of the purchase agreement. The documents were turned over to the Macks for signing, expected within 24 hours.

JR. HI SQUAD BOWS 27-21 TO WAYNESBORO 11

A three-touchdown first period enabled the Waynesboro Junior High football squad to stave off the Gettysburg comeback in the second half for a 27-21 victory Thursday evening at Waynesboro.

Ernie Shade ran 17 yards around end to give the Cyclones their first score early in the opening period and a pass, Sharrah to Shade, produced the extra point.

Gettysburg fumbled the ensuing kickoff and Waynesboro recovered with Shade going over soon afterwards from the 13 on another end sweep. Another pass, this time from Shade to Sharrah, added the point.

Once again the locals fumbled the kickoff with Waynesboro recovering deep in Gettysburg territory. C. Freshman fired a pass to Sharrah on the 10 from where he hit pay dirt. Conrad added the point on a plunge.

Baltzley Scores

Coach Ned Brownley's squad finally began to click in the second period and moved downfield on passes, Rex Baltzley going over from the 4. Ken Keefe added the point on a plunge.

In the third period Gettysburg scored again following a 60-yard drive. Little passing to Keefe on a 10-yard play. Baltzley circled end for the point.

Early in the last period Waynesboro scored again when Sharrah tallied on a 25-yard pass play. Gettysburg halted the plunge for the point.

The local's final six-pointer came when Little fired a 20-yard pass to Keefe and the latter raced 40 yards. Another pass, Little to Frank Dearing, produced the point.

The center of Gettysburg's line played particularly well while the backfield work was spear-headed by Little, Keefe and Baltzley.

Hanover will play here next Thursday.

The lineups:

Gettysburg
Ends—Settle, Dearing.
Tackles—Thomas, Kimple, Eckert.
Guards—Rudisill, Crono, Coldsmith.
Center—Staley.

Waynesboro
Ends—Shade, Rudy, Smith, Scott, Mowen, Sprinkle.

Tackles—R. Martin, Bowders, Curd. Guards—Carbaugh, Sheffer.

Centers—T. Martin, Bowders. Backs—C. Freshman, Conrad, Sharrah, Shindle, Ramos, D. Freshman.

Score by periods:
Waynesboro 21 0 0 6-27
Gettysburg 0 7 7 7-21

TDs, Shade 2, Sharrah 2, Baltzley, Keefe 2, PAT, Shade, Sharrah, passes; Conrad, plunge; Keefe and Baltzley, rushing; Dearing, pass.

Casey Stengel, the New York Yankees' manager, thinks that drag bunts are as important as home runs to win games.

BIG GRID TILTS ON TAP FOR THIS WEEKEND IN U.S.

By ED CORRIGAN
The Associated Press

The time has come for Wisconsin to start thinking seriously in terms of winning the Big Ten championship and making the jump to the Rose Bowl next Jan. 1.

The Badgers, who weren't considered any great shakes in pre-season estimates of the Western Conference, meet rough, tough Ohio State tomorrow in a game that could make or break their hopes. The Buckeyes, too, are very much in the race for league honors.

Ivy Williamson's lads still would have to get past Iowa, Northwestern, Illinois and Minnesota even if they do beat Ohio State. But there's no denying that this is the big one.

MAKING HOME LIFE SUCCESSFUL

Proverbs: 4:1-4; 6:20-23; 19:13-14; 31:10-12

Key Verse: My son, keep the commandment of thy father and forsake not the law of thy mother. Proverbs 6:20

"Are you sure you can make a success of it?" is a question I usually ask of a couple who come to me to perform the marriage ceremony. The answer is always affirmative; the outcome sometimes negative. The establishing of a wholesome home life is a serious undertaking, and not always easy. Many elements enter into it. Religion is the most important one.

The book of Proverbs is rich in wise counsel for homemakers, and for all members of the family. The precepts found in this book are essential to good family life as they

were when the pious Hebrews first used them. But times have changed. "New occasions teach new duties." The heart-to-heart talk between parents and children will always have its place in the home. Nothing can take its place. How the teachings of devout parents will help the child is expressed in lines of fine poetry. (Prov. 6:22)

"When you walk, they will lead you; When you lie down, they will watch over you; And when you awake, they will talk with you."

In Hebrew life the father had the greater responsibility but the wife also had a part in teaching the young. And her place in the family circle as wife and mother is recognized in lines beginning with "A good wife" (Prov. 31:10). So the Hebrew family at its best was made up of obedient children,

and parents who were faithful to the trust the Lord had placed in them. When love exists between parents it will spread among the children. Soon there will be created an atmosphere in which all the virtues thrive. A spirit of give and take will develop and if differences make their appearance they can be resolved.

But there is a growing number of homes where family life is a failure. Divorces are on the increase. Juvenile delinquency has become an alarming problem. Crime in general is on the upward trend. It would appear that teenage crimes are the outcome of faulty home training or no training at all. Even a little instruction in religion in early life has its value in later years when a wayward man desires to reform.

A thorough study of failures in home life often reveals ways of more successful guidance. A study of 500 families with delinquent records was recently made by Doctor and Mrs. Sheldon Glueck, noted students of criminology. Among their findings are these: Fifty per cent of the mothers had a criminal past; 62 per cent of the

fathers drank to excess; 60 per cent of the parents had no love for each other; 70 per cent of the families never had any recreation together; 60 per cent of the delinquent children came from broken homes. And a shocking discovery was that "a very large percentage" of children showed signs of "going wrong" before they were ten years old. From a Gallup poll we learn that 71 per cent of the 12,000 divorce cases studied had no religious affiliation.

There is a growing conviction that parents of delinquent children should be held accountable to a high degree for crimes committed. The environment of juveniles has much to do with their behavior. But nothing can take the place of parental care and instruction in religion. Precepts from Proverbs are still essential guide posts to righteous living.

"A RESCUE AND ITS EXPLANATION"

AN EXPERIMENT IN RELIGION

We met a chemist some years ago who was planning to experiment with religion.

"Some Sunday," he said, "I'm going to go to Church and see if it makes any difference in my life."

"Doctor," we asked (for he had a number of degrees), "How does a chemist begin his experiments in a new field?"

"With research," came the reply. "He studies the findings of other men in that field—determines what has been proven—what is unknown."

"That's a good way to begin your experiment with religion," we suggested. "It would hardly be 'scientific' to judge Christianity, or your need for it, on the basis of one visit to Church. But a few months of faithful attendance, and many thoughtful evenings with the Bible will give you a clear understanding of what others have found in Christianity. You'll discover spiritual truths which centuries of experience have proven, and gain a faith that can bridge the Unknown."

At last report, our chemist was making fine progress in his experiment. In fact, he no longer thinks of his religion as experimental!

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

LARSON HITS AGE-BASED JOB DISCRIMINATION

PHILADELPHIA (AP)—Undersecretary of Labor Arthur Larson says the United States should forget the depression-born attitude that the older worker should be retired to make way for younger men and women.

Speaking here last night at the third annual Conference on Old Age Employment, sponsored by Temple University, Larson said the principal effort should be aimed at permitting "workers to obtain and hold suitable employment without discrimination because of age as long as they want to work and are able to do the job."

Gene D. Smith, secretary of the Commonwealth of Pennsylvania, told the conference the state legislature will have to consider "an act enabling state employees to be placed under the federal social security program."

Extends Coverage
The act, approved recently by Congress, extended social security coverage to 10 million more Americans, including state and local government workers.

Smith pointed out that about three and a half million state and local workers in Pennsylvania, not including policemen and firemen, now are eligible for social security coverage if a majority of such employees in any government unit vote for it.

Gov. John S. Pine urged a re-examination of age limits in business and professions.

Should Not Handicap
"Age should be no handicap for any Pennsylvanian," the governor declared. "A person whose maturity and service have won for him a position in the community of his choice and in the industry of his interest should be recognized as an important factor in the making of America."

2 KILLED IN COLLISION

HONESDALE, Pa. (AP)—An elderly New Jersey couple was killed yesterday in a truck-auto collision on U. S. 6, three miles west of this Wayne County community.

State police identified the victims as Mr. and Mrs. Charles Malloux of Rochelle Park. Police said the Malloux car and a truck driven by Gerald A. Dutton of nearby Tyler Hill collided head-on on a curve. The truck overturned and rolled off the highway, but Dutton escaped with a knee cut.

The glue on U. S. postage stamps is made of corn and cassava, mixed, and is slightly nutritious if eaten.

WANTS TO SEE YANK SECRETS

WASHINGTON (AP)—Dr. Edward U. Condon, former Bureau of Standards director now working in private industry, was promised today a prompt decision on whether his right to see government secrets shall be restored.

Secretary of the Navy Charles S. Thomas announced yesterday he had suspended the limited clearance given Condon three months ago after an earlier temporary suspension.

Condon, 52-year-old scientist who is research director for the Corning Glass Works, commented at Corning, N.Y.:

"I have been fully cleared four times by four different boards. I shall be pleased to be cleared a fifth time, and I know that a review of my record will end in such clearance."

Thomas told newsmen he would see to it that the review is carried out promptly "in fairness to Dr. Condon and because of the unusual importance of the case."

LEADER ASKS LLOYD H. WOOD FOR TV DEBATE

CANONSBURG, Pa. (AP)—Sen. George M. Leader today renewed his offer to debate issues of the political campaign with Lt. Gov. Lloyd H. Wood before the television camera.

Leader, Democratic nominee for governor, said on a campaign stop here, that with such a debate with his Republican opponent:

"I am sure the voters could decide quickly enough which of us is a political Charlie McCarthy."

Leader, earlier in the campaign, invited Wood to a public debate on a face-to-face basis. Wood rejected the idea. As to the renewed invitation, Leader said:

Says Wood Dodges
"It would give me an opportunity to repeat, before millions of viewers, the questions Mr. Wood has dodged with amazing dexterity all through the campaign. I would ask him once again, in the hope of finally getting at the truth, whether or not he ever represented any big time contractors before the state agencies and whether he, as a state official, was successful in engineering big settlements that

NOVEMBER 13 IS DEADLINE FOR SHOW ENTRIES

HARRISBURG — The last day for receipt of livestock and poultry entries for the 1955 Pennsylvania Farm Show is November 13, the Farm Show Commission announced today.

Record premium offerings have been provided for open class competition in the horse, dairy and beef cattle, swine, sheep, and poultry departments of the 39th Farm Show which opens on Monday, January 10, and runs through Friday afternoon, January 14.

Copies of the premium list covering competitive farm and farm home exhibits in all 25 departments of the show are now available from the Farm Show Commission office in the Farm Show building here or from any county agricultural agent's office, according to W. S. Hagar, acting secretary of agriculture and chairman of the Farm Show Commission.

One new department has been added for the coming show, he said. Competitive exhibits will be judged and prizes awarded for the first time on two classes of silage — silage with any type of preservative and silage without preservative. Top place in each class wins a premium award of \$15 with \$10 for second and \$5 for third. A grand champion ribbon will be awarded also.

At the fall meeting of the Farm Show Committee — made up of three delegates from 50 statewide member farm organizations —

lawyers, in private practice, could not negotiate.

"I would ask him, to state for the record, the extent of his political debt to John J. McClure (Delaware County GOP leader) and what he has promised Mason Owlett, Grundy boss, in return for the support of the Pennsylvania Manufacturers' Assn. Does this mean that corporate taxes will be slashed and that the Republican tax burden, as usual, will be shifted to the people?"

each association having an exhibit booth or holding meetings during Farm Show week filed requests for space. More than 30 associations plan meetings for which rooms have been assigned.

Dr. Herbert R. Albrecht, director of agricultural extension at the Pennsylvania State University, who is a member of the Farm Show Commission and chairman of its premium list committee, met with the Farm Show Committee. He said that dedication of the 1955 Farm Show to the University at the beginning of its centennial year provides opportunity for each farm organization to feature services received through the institution since it was founded in 1855. He added that the coming show also provides "a marvelous opportunity to tie together all factors of the show for progress in agriculture."

AVOID VOTE ON PRAYER CHANGE

PHILADELPHIA (AP)—A meeting of Middle Atlantic Episcopal Church leaders has ended with no action taken on a proposal to change the wording in the Lord's Prayer.

The proposal did not come to a vote yesterday in the closing session of the 25th synod of the Episcopal Church, Province of Washington.

The change was suggested by Lt. Gen. John C. H. Lee of York, Pa., vice president of the Laymen's Brotherhood of St. Andrew. He said the almost universally used phrase "and lead us not into temptation," should be revised to read "let us not fall when tempted," arguing that the present wording is wrong "since no Christian can expect to be spared temptation; but instead the strength to resist temptation" should be prayed for.

The resolutions committee ruled the proposed revision would be inappropriate action for the synod to take. The committee said it should be referred to the standing liturgical commission of the general convention representing the entire church.

FORMER JUDGE IS CONVICTED OF FALSE SWEARING

MOUNT HOLLY, N.J. (AP)—Former Municipal Judge John C. Haines of Mansfield Twp. has been found guilty of false swearing in testifying before a 1953 Burlington County grand jury, which was investigating political tieups with gamblers.

He was convicted last night after a Burlington County jury deliberated two hours.

Mercer County Judge Clifton C. Bennett, who had presided over the four-day trial here, put off sentencing of Haines for an indefinite period. Haines, meanwhile, was continued under bail.

He faces a possible one to three-year prison term and (or) a fine of \$1,000 on the conviction of two counts of an original four-count indictment.

Denies Receiving Money
Haines was acquitted on the other two counts Wednesday by Judge Bennett after a state witness, a convicted gambler, refused to testify.

The state said it had depended on the gambler for its case on these two counts and made no pro-

test to the judge's verdict.

Haines took the jury's verdict at first without emotion. But later, as friends gathered about and shook hands with him, the ex-judge's eyes filled with tears.

Haines, 52 years old, an employee of a Bristol, Pa., plant, took the stand in his own defense on the final day of the trial.

He denied ever receiving money from the operators of a floating dice game for protection.

Replying to testimony of George Page, admitted payoff man for a gambling syndicate and the state's key witness against him, Haines said he never even discussed the matter with Page.

Page testified earlier in the week that he had paid Haines \$400 a week for 16 weeks in 1948 and 1949 to obtain protection for the dice operation.

Page said Haines told him two state troopers, John Skok of Mount Holly and John Reese of Atlantic City, were getting a cut of the money. It was his understanding Page said, that Skok got \$50 and Reese \$25.

Haines also denied talking to Page about Skok and Reese. Both troopers are under indictment on charges of false swearing. They have denied the accusations.

Americans sent 121 million pounds of mail to their servicemen overseas in 1953.

WOOD OPPOSES ADDING TAX ON BUSINESSES

STROUDSBURG, Pa. (AP)—Lt. Gov. Lloyd H. Wood said today that increased taxes on business and industry in Pennsylvania would "kill the goose that lays the golden pay envelope eggs."

"We have gone as far as we dare go in taxing business in our state," Wood, Republican candidate for governor in a campaign speech here.

"We must not add to that burden if we want to keep our industries and the jobs they provide for the people," Wood said.

"We must not kill the goose that lays the golden pay envelope eggs by taxing them out of business."

Referring to unemployment in Pennsylvania, Wood said it resulted from conversion "from a wartime to a peacetime economy."

Wage Producing Jobs
"When I am governor," he

promised, "I shall certainly devote every resource of our state government to the development of wage-producing job opportunities for everyone who is ready and willing to do an honest day's work."

As to the opposition party headed by Sen. George M. Leader, Democratic choice for governor, Wood said:

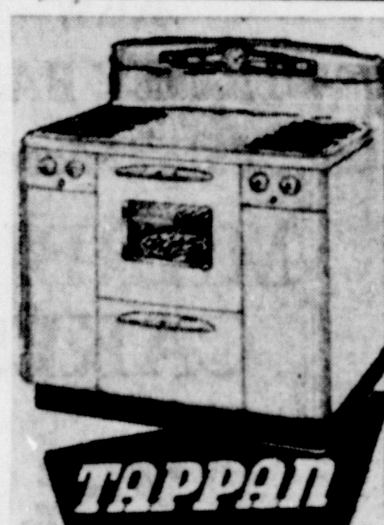

"Here in Pennsylvania, where the Democrats have continuously and falsely accused the Republican party with favoring corporations over everyone else the taxes on business provide a higher portion of our state revenues for general purposes than any comparable state—Republican or Democratic."

"In fact, the Democratic states have been trying to entice away our industries by offering to exempt them from all taxes, to provide rent-free plants and other attractive inducements."

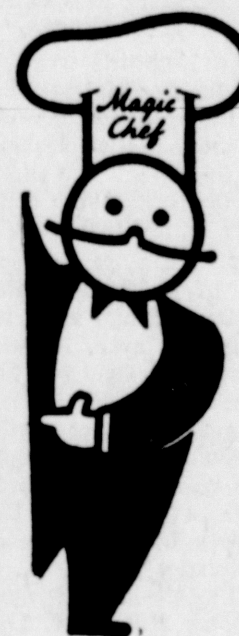

"Apparently, our Democratic opponents in this campaign want to speed up that process by loading new and heavier taxes on our industries which employ millions of people."

Ukrainian Opens Eucharistic Congress In Philadelphia

By WILLIAM J. ALEXANDER
PHILADELPHIA (AP)—A Ukrainian Catholic archbishop elevates his arms and chants in his native tongue a litany of petitions to Almighty God tonight, signalling the start of the National Eucharistic Marian Congress of the Oriental Rites—three days of solemn prayers for "true world peace and the conversion of Russia."

Some 20,000 Roman Catholics are expected to attend the congress. Three cardinals, eight archbishops and more than a score of bishops and other members of the hierarchy have arrived from Europe, Asia, Canada and South America.

An estimated million of the 30 million Catholics in the U. S. belong to the Eastern or Oriental rite. Many of them are refugees from the Eastern Church originated in Antioch, Alexandria and Constantinople, and separated from its western branch at first politically and later in doctrine, over recognition of the primacy of the western patriarch, the Pope at Rome.

The churches of the Eastern or Oriental rites are those which remained faithful to Rome or later returned to unity with the West. Prayers of the Congress also will be offered for the return of the "orthodox churches" of the East, not now in union with Rome.

Colorful Rites
The Eastern rites are more colorful than those of the West. Whereas the latter uses only one liturgy and one language—Latin—in its ceremonies, the easterners are divided and subdivided into eight different groups, most of them along national lines. Each has its own religious dress and uses the native tongue in ceremonies.

A dramatic demonstration of this diversity of liturgy and unity of doctrine will be one of the highlights of the three-day conclave. In a unique concelebration tomorrow morning at huge Convention

Hall, nine bishops or priests of nine different rites will celebrate mass at separate altars erected in a semi-circle. A church spokesman said this is believed to be the first time such an observance has ever been held.

The congress is dedicated to Mary, the mother of God. Pope Pius XII has named 1954 a special "Marian Year" in her honor.

MOVES FIRM TO NORTHERN HOME

READING, Pa. (AP)—A hosiery mill executive says he's found "economic conditions in the North and the South are about equal" and has announced that his firm is moving back to Pennsylvania.

Nicholas Malesky, president of the Bella Co., a hosiery dyeing and finishing firm, said yesterday "the labor situation in the North is more favorable than it has been for many years. More prospective employees are again available."

In bucking a long-time trend in the textile industry, Malesky declared that "the advantages obtained by the move to the South are gradually disappearing." He added that, by moving North, "the company is closer to the markets."

Malesky, of Stowe, Pa., moved his company to Mount Pleasant, Tenn., several years ago from its original site in this area. He will relocate in the former Gold Seal hosiery mills here.

The southward march of northern textile industries was prompted after World War II by abundant, cheaper labor available in the South and lower operating costs, among other things.

Malesky will locate in the former Gold Seal Hosiery Mills here. The new operations, he said, will employ

IKE GIVES GOP SOUND ADVICE, QUIT GROANING

By ED CREAGH
(For James Marlow)
WASHINGTON (AP)—Advice to the Democrats: Keep plugging. Advice to the Republicans: Quit groaning.

These words of counsel have gone out in the closing days of the congressional election campaign

play 40 persons beginning next week, and will gradually take on additional help, mostly women, until 150 are on the job. He said the company is installing completely new equipment and expects to reach full production within two months.

from two men pretty high up in their parties—President Eisenhower for the GOP and National Chairman Stephen A. Mitchell for the Democrats.

If the Eisenhower and Mitchell statements told the whole story, there would be no doubt the Republicans are in trouble and the Democrats riding high, with the election only 11 days away.

Party leaders, even presidents, don't always gauge the situation correctly, however. Besides, their campaign statements are designed for a specific purpose—in this case, to build a fire under party workers. Such statements don't necessarily reveal the speaker's private opinion of who's ahead.

GOP Needs Fight
The President spoke at a GOP rally in New York yesterday—a day that saw him wade much further into the thick of the campaign than he had done before. He even made a face for the politicians and the photographers, pulling down

the corners of his mouth in a grimace of dejection.

And he declared the Republicans are never going to win if their leaders "are going around pulling their faces this way."

What the GOP needs, said Eisenhower, is a "fighting heart"—the kind Jack Dempsey had when, after being belted out of the ring by Louis Firpo in 1923, he came back and knocked Firpo halfway home to his native Argentina in the second round.

The President wasn't saying the Republicans are on the ropes, much less out of the ring entirely.

Politics In 1956
It wasn't just happenstance, by the way, that Eisenhower picked New York, as the place to start campaigning in earnest. That's a state both parties are determined to capture—not only for its stake in this election, but because of 1956 presidential politics too.

On the face of it, the Democrats have more to gain—a governor-

ship. They'd like to put their candidate, Averell Harriman, in the seat long held by the GOP's Thomas E. Dewey. If they do, Harriman will be a big man—and quite possibly a presidential contender—in the next Democratic National Convention.

On the other hand the GOP candidate for governor, Sen. Irving M. Ives, can keep his Senate seat if he loses. If he wins he can, and undoubtedly would, name another Eisenhower Republican to succeed him in the Senate.

But here is a Republican worry: What happens to its now-powerful New York state organization? Dewey, who has led it in the past, has in effect turned over the reins to Ives. What happens if Ives drops them? Could the Dewey element

RABBITS TOO HEALTHY

GREENSBORO, N. C. (AP)—The federal government is suing two feed companies for \$8,500, charging their rabbit feed caused failure of medical experiments.

The suit contends the Public Health Service experiments at the University of North Carolina were spoiled because the feeds contained aureomycin.

The trumpeter swan, with a maximum weight of 40 pounds, is rated as the heaviest flying bird in North America.

keep control of the block-busting 96 votes New York will cast in the Republican National Convention of 1956?

Prisoner Paroled For Heroic Deed

MARQUETTE, Mich. (AP)—George Cardinal, 41, is a free man because he risked his life in the rescue of two fishermen on storm-swept Lake Superior.

Cardinal, an inmate at the Porcupine Mountains prison camp, went out on the dangerous water in a row-boat and saved two of four fishermen who had been thrown out of their boat by the storm.

He was paroled to the custody of an Ontonagon, Mich., garage owner, who was one of several business men who offered to give Cardinal a job if he was released when word of the rescue worked out.

REV. KAMMERER WILL LECTURE ON JERUSALEM

The Rev. David S. Kammerer, pastor of St. Paul's Lutheran Church, will lecture on "Jerusalem and Environs," at the union vesper service on Sunday evening, 7:30 o'clock, in St. Paul's Church. This will be the Rev. Mr. Kammerer's third message in his series of lectures concerning the Holy Land tour which he and his wife took last spring.

The Rev. Arthur E. Leeming, superintendent of the Hoffman Orphanage and supply pastor of Redeemer's Reformed Church, will be in charge of the worship. The service on Sunday, October 31, will be in charge of the Rev. G. Howard Koons, pastor of Christ Reformed Church. The fall series of union services are sponsored by the Littlestown Ministerium and the public is invited to attend.

Announcements made by the pastors of the churches of Littlestown and vicinity for the weekend and coming week include:

"PAT" WEAVER, YOUR INSURANCE MAN, SAYS:

Accident and Health insurance is primarily "catastrophe" insurance. If a person of limited means has a large hospital or surgical bill, or both, he needs insurance to help him over the heavy drain on his income. It was never intended to pay for every box of pills one buys, or for every call made at a doctor's office.

Beware of extravagant claims as to what an accident and health policy will cover. Read the policy. The Insurance Department requires that the words "This Is A Limited Policy" be written in large letters across the face of a policy of limited coverage. Read such a policy carefully to determine just what protection you have.

This Agency can furnish dependable accident and health insurance which can be suited to your needs. No extravagant claims are made about paying for every scratch! There is no fine print to deprive you of promised benefits! Hospitalization may be purchased alone, or in conjunction with Surgical coverage. Hospital, Surgical, and Death Benefits may also be combined in one policy. The amount of daily hospital benefits, and the amount of surgical benefits, may be varied to suit the scale of charges in your hospital.

HAVE 10 JURORS FOR SHEPPARD'S MURDER TRIAL

By WILLIAM NEWKIRK
CLEVELAND (AP) — Six housewives and four men were in the jury box today as the murder trial of Dr. Samuel H. Sheppard moved into its fifth day.

With 10 jurors now tentatively seated, it appeared the state may be able to start presenting its case sometime next week. The state contends the slender osteopath clubbed his pregnant wife Marilyn, 31, to death after an affair with a pretty hospital technician, Susan Hayes, 24.

Two more jurors must be picked before the prosecution and defense can use their peremptory challenges to dismiss jurors they do not want. Each side can dismiss six jurors without reason.

Sex And Circumstances
For the juror picked as an alternate, each side has two peremptory challenges.

Questioning of the prospective jurors has indicated that sex and circumstantial evidence will play big roles in the trial.

Defense Attorney William J. Corrigan and Fred W. Garmone have hammered away with questions on whether the jurors would be prejudiced against Sheppard because of his purported romance with Miss Hayes. The prosecution has stressed that Ohio law permits a first-degree murder conviction

Wrecks Second Car On Same Curve

FORT ERIE, Ont. (AP)—Herman Eldridge, 51, of Buffalo, N.Y., wrecked his car Oct. 11 when it went off the road at a curve near here. A woman passenger was injured.

Eldridge was fined Wednesday for careless driving. Yesterday he drove to Welland in a new car to collect bail money he had put up when arrested.

He approached the same curve and . . .
Damage was estimated at \$500.

and a death sentence on only circumstantial evidence.

Use Sun And Snow
Corrigan and Asst. Prosecutor Thomas Parrino turned to talk of sun and snow yesterday in their efforts to make sure the jurors knew the meaning of circumstantial evidence.

Corrigan called attention to a ray of light coming in the courtroom window and observed that "even though you don't see it, you know from the light that the sun is outside."

Parrino later turned to the subject of snow in a similar explanation:

"You see snow on the sidewalk, on the lawn. You didn't see it snow, but you know from what you have seen that snow has fallen. That's circumstantial evidence."

Claim Public Influenced
Defense attorneys again brought up their contention that wide publicity given the sensational murder case has poisoned the mind of the public against Sheppard. And for the first time the state countered, insisting the publicity was not all against the defendant.

Newspaper articles favorable to the defense, including statements by Sheppard, one of his brothers and two of his attorneys, were cited by the prosecution.

All three women seated yesterday are housewives. They are Mrs. Beatrice Orenstein, wife of a postal clerk; Mrs. Margaret E. Adams, whose husband is a vice president of a metal products firm; and Mrs. Grace L. Prinz, wife of a packing company foreman.

KENTUCKY MUST MAKE DECISION BETWEEN "SONS"

Editor's Note—This is another of several stories by roving Associated Press reporters analyzing the campaign in key states.

By DON WHITEHEAD
LOUISVILLE, Ky. (AP)—The people of this mint julep and blue grass country are approaching the difficult political choice of having to send only one of two favorite sons to the U.S. Senate.

The decision must be made Nov. 2 between Democratic former Vice President Alben W. Barkley, 76, and Republican Sen. John Sherman Cooper, 53. No matter which one wins, there's going to be considerable sadness that the other had to lose.

Barkley and Cooper are the Kentucky strong men of their parties with big personal followings. Their collision dramatizes the full force of the struggle for control of Congress.

Count On Popularity
Democratic chiefs called Barkley out of political retirement as the only man who might recapture the Senate seat which Cooper won two years ago after the death of Democratic Sen. Virgil Chapman.

They are counting on Barkley's enormous personal popularity plus a voter swingback to the Democrats. At this point there is general agreement the odds are in favor of Barkley winning.

But Cooper is making a strong race and there are some—even a few Democrats—who say he may pull the biggest surprise of the entire national campaign.

Normally Democratic
Here are some of the factors on both sides:

Barkley's name is known to practically every adult in Kentucky—and he's running in a state that normally is Democratic.

Unemployment, particularly in the coal fields, would appear to be a factor working in Barkley's favor. Another would be the fact that about 70 per cent of the county offices in Kentucky are controlled by Democrats, in addition to the state government.

On the other side, Cooper has proved he has a great deal of appeal to the voters.

Age Is Factor

His age is in his favor too. Even a casual visitor to Kentucky soon finds that Barkley's 76 years have become a "beneath-the-surface" issue which could have a strong influence on the outcome of the race.

For spectator interest, the Barkley-Cooper race has been a gentlemanly and rather staid affair with neither candidate whooping it up into a name-calling contest. For the most part, they've stuck to issues.

Barkley has centered his attacks on the Republican administration and its record during the past two years, comparing it with what he calls more prosperous years under Democratic leadership. He as-

Russians Reselling War Goods To China

LONDON (AP)—Russia and her European satellites have opened a big hole in Western barriers against war potential exports to Communist China. They are buying strategic goods from the West and selling them to the Chinese, making a neat profit in the bargain.

American and British officials here and elsewhere know what is happening but say they can see no way of stopping it.

NO BUSINESS—SO FAR

WASHINGTON (AP)—The special committee to police the campaigns for 435 House seats this year made a surprising disclosure today: It has been given nothing to investigate—so far.

None of the approximately 1,000 candidates has yet hollered foul, officially, to the congressional group set up for such complaints.

QUAKE FELT THURSDAY

SAN SALVADOR, El Salvador (AP)—A strong earthquake was felt throughout this Central American republic at 1 a.m. Thursday. Electric service in San Salvador was knocked out for three hours, but no other damage was reported.

sails the administration as representing the privileged few and not the masses of people—although he doesn't include Eisenhower himself in the indictments.

No Congress Change
Cooper has hit hard on the theme that the nation is at peace because of Eisenhower's leadership and that the Democratic prosperity was a war prosperity. He pictures himself as being in a position to do more for the state than Barkley.

On the congressional front, reliable sources say there isn't likely to be any change in the present lineup of six Democrats and two Republicans.

HORSE RACE FAN INVITES VOTES

GIRARD, Pa. (AP)—Charles J. Schmitt, an advocate of legal, televised horse racing in Pennsylvania, is inviting his friends to write in his name for governor at the November 2 election.

Schmitt, a local real estate man, unsuccessfully sought the Democratic gubernatorial nomination at the primaries. He polled about 33,000 votes.

In announcing his "write-in" candidacy Wednesday, Schmitt said he is organizing a "Horse Racing Club" in Pennsylvania and selling memberships at \$1 a year. He said the money will be used to "lobby the club's horse racing bill through the Legislature."

Schmitt favors five state-owned race tracks. The races would be televised into horserooms throughout the state. Local communities would operate the rooms, taking bets. Profits would be shared with the state.

AGED MAN EXPIRES

CARLISLE, Pa. (AP)—Arthur Seibert, 82, of Carlisle, died Wednesday of injuries suffered when a service station wall fell on him.

Dr. A. E. Haegele, Cumberland County coroner, said the wall of the garage apparently had been weakened by repair work being done on the building.

Selbert died at Carlisle Hospital of internal injuries.

GET HEATING BID

HARRISBURG (AP)—The General State Authority yesterday received an unofficial low bid of \$43,750 for work on the heating system of Rockview State Penitentiary, Bellefonte. It was submitted by G. M. McCrossin of Bellefonte and includes mechanical construction work in connection with installation of two boilers.

Fleet Preserved In York River Mud

FORT EUSTIS, Va. (AP)—Lord Cornwallis' fleet, scuttled or sunk in the Battle of Yorktown in 1781, isn't lost. Mike Moran says the ships are preserved in the mud at the bottom of the York River—and he knows the location of every ship.

Chief Warrant Officer Eugene F. (Mike) Moran should know. He is chief of the diving section at Fort Eustis and has spent more time under the waters of the York than most people have on the surface. He has been responsible for training the army's divers for eight years.

Suggest Bird-Call Records In Orchards

EAST LANSING, Mich. (AP)—Two Michigan State College faculty members think they've found a way to do away with scarecrows and costly tree covers in Michigan orchards.

Horticulturist G. M. Kessler and Zoologist G. J. Wallace are installing in orchards phonograph records of bird distress calls which they believe will keep robins and starlings from invading orchards and eating up the profits.

DES MOINES (AP)—Deposits in Iowa 559 state-chartered banks set a mid-year record of 1 1/2 million dollars last June 30 and was within 21 million dollars of the all-time high, says Newton P. Black, state superintendent of banking.

BRADENTON, Fla.—Dr. George J. Searle, 94, father of socially prominent Mrs. Cornelius Vanderbilt Whitney, and who had practiced medicine in Plymouth, Ohio, for more than 50 years. Died Tuesday.

OPPENHEIMER GIVEN HONOR

PHILADELPHIA (AP)—Dr. J. Robert Oppenheimer has received the Pyramid Club of Philadelphia's achievement award for "unselfish devotion of his own great gifts to the end of increasing man's knowledge."

Oppenheimer, head of the Institute for Advanced Science at Princeton, N. J., and credited with playing a major role in developing the atomic bomb, received the award last night. He said it reaffirms "that spirit of human brotherhood that is the hope of today's world."

Dr. Albert Einstein commended the club for honoring his colleague "in recognition of his exemplary conduct as a citizen of his country."

Earlier this year the Atomic Energy Commission ruled that Oppenheimer was a loyal American but denied him security clearance on grounds he had associated with individuals of questionable loyalty.

U.S. Promises Aid To Mohammed Ali

WASHINGTON (AP)—The United States has promised Prime Minister Mohammed Ali a 106-million-dollar economic aid program for Pakistan in the year ending next June 30, and a speed-up in deliveries of military equipment.

A communique issued upon the conclusion of Ali's week-long visit here said the new program will embrace loans as well as the usual outright grants.

The figure was described as being "five times last year's aid."

TO BUY TRUST CO.

MAYBE YOUR HUSBAND HAS THE RIGHT IDEA!

If there's one thing that men believe in . . . it's finding the easy way to do the job.

Check it in your own home. If your lawn is of any size chances are your husband no longer pushes and puffs to do his mowing . . . he has a power mower. It's the easy way. And, take his morning shave . . . the old razor's gone. His electric shaver does the job faster and easier. It's the same in his workshop . . . electric power drills and saws have replaced old hand operated tools. Get the point? Your husband uses the things that have been made to make life more pleasant for him.

But let's talk about you. Particularly the way you dry your clothes on wash day. We hope you're not doing it the old-fashioned way. If you are, we know the trouble you're having. You struggle with clothes poles, pins and props . . . strain yourself lugging baskets of wash from the house to the backyard clothes line . . . worry about the weather . . . the time it takes! How do you stand it?

It might be a good idea to take a tip from your husband. You know . . . find the easy way to dry your clothes. And, an Electric Clothes Dryer is the answer.

We think you'll agree that just getting away from all the unpleasant duties of drying is a life-saver in itself. But, an Electric Clothes Dryer does even more to make your wash days a dream. Your clothes actually look better . . . last longer . . . need less ironing when they are dried in an Electric Clothes Dryer. And remember, drying day is any day you choose.

There's one other important thing to remember. Your appliance dealer has a Special Offer to make on an Electric Clothes Dryer right now . . . during DRYER BUYER DAYS! Stop in and see him . . . learn how you can really make life easy for yourself.

Gas is OK in Balloons, But Not in Your Stomach

Some people feel like a swollen balloon after meals. They bloat with gas and ruff up sour, acidous liquids for hours.

SYS-TONE is helping stomach "victims" all over Gettysburg. This new medicine is taken with meals. It works with your food. Bloat vanishes. Contains 700 Herbs, Iron and B-1. Enriches blood, builds energy, makes stronger nerves. Weak, gas-filled people soon feel like new. So don't suffer. Get SYS-TONE — Peoples Drug Store.

IT'S BEWITCHING!

an orange and chocolate delight!

Manbeck's HALLOWE'EN CAKE

A delicious Manbeck specialty that is just as much a part of the Halloween season as popcorn, pumpkins and cider. Marble chiffon cake with orange icing, candy chocolate trimming, and guarded by two eye-catching, plastic witches. Makes a wonderful Halloween centerpiece. But, fair warning! It's so tempting and mouth-watering that you'll need several to get through the Halloween season.

DOCTOR SAYS HEART SURGERY USUALLY WINS

PHILADELPHIA (AP) — A Cleveland heart specialist said today that four of every five persons undergoing surgery for heart disease have been "completely or almost completely relieved of pain" by the operation.

Dr. Claude S. Beck said that about the same proportion of coronary surgical patients have returned to their former employment.

The Cleveland physician warned a session of the Pennsylvania Medical Society, however, that surgery will not cure heart disease. He said that closing up process of arteries will not stop after surgery and other occlusions may occur.

Won't Undo Damage
An operation will not undo damage to muscles in the heart wall, he said, and "it is not reasonable to expect the operation to be helpful if extensive degeneration is present." Dr. Beck said it was preferable not to operate on such patients.

Dr. Bernard L. Brofman, director of cardiovascular research at Mount Sinai Hospital, Cleveland, in another paper delivered at the symposium, said coronary artery disease is usually progressive and malignant, and like other malignancies, "the best results with operation are obtained early in the course of the disease."

Dr. Beck brought out these other points during his talk:

1. Many patients "who die from coronary disease due to destruction of coordinated mechanisms possess a heart which under slightly altered conditions could keep on beating for years. These slightly altered conditions in the circulation can be provided by surgical operations."

2. "Unless the patient has severe and progressive disease, the

mortality should not be high. In carefully selected cases, it could probably be held at about 5 per cent."

At yesterday's session, Dr. Jonas E. Salk said field tests throughout the country have shown that vaccines used to cut polio infection have built up a high level of antibodies in the persons vaccinated.

The University of Pittsburgh scientist, who developed the vaccine used in polio inoculations last summer, hinted that a plan is emerging which would spell out the procedure for vaccinating children against polio.

Three Doses Best
He said experiments have shown that three small doses, one week apart, serve best as the primary vaccination.

Dr. Salk said experiments in Allegheny County showed that polio has not been contracted by anyone inoculated with the Salk vaccine. But, he added, information from field studies could not be provided at this time.

The Pittsburgh researcher said studies are now being conducted to find the best time between the fifth week and seventh month in which to give the first booster injection. He said researchers are trying to pin down just what number of doses will be needed for the primary and booster shots.

LONG OVERDUE

NORMAN, Okla. (AP) — Two geology books checked out of the University of Oklahoma Library have been returned just 47 years overdue. The books, much the worse for wear and thoroughly water-soaked, were left in a collection box of Oklahoma City's library.

WRONG DOOR

SAN DIEGO, Calif. (AP) — An automatic garage door was ordered by Milo Berenson at his home but when Mrs. Berenson tried it out for the first time her neighbor's garage door flew open. Her's didn't budge. An error in installation was discovered.

Industrial YMCA Has Female Membership

CHATTANOOGA, Tenn. (AP) — Eyebrows might go up when a girl mentions she's a member of the Industrial Young Men's Christian Association here, but it's all proper. In fact, executive secretary Howard Moreland says, about 60 per cent of the membership is female. "It's the swimming pool," he says. "That's what does it. We have the

only indoor swimming pool for co-ed groups in the city."

Father Teaches Son By 110-Mile Detour

BARDSTOWN, Ky. (AP) — Talbott Tavern features novel salt shakers—so novel that a little boy with a family of tourists stuck one in his pocket.

The father didn't discover the boy had the shaker until he had driven 110 miles from Bardstown. But he turned right around and came back. "I wanted to make an example of it," he told the tavern manager, "so he'll learn never to take something that doesn't belong to him."
